

“Are we there yet?”

Route 3 construction is resuming... Please allow yourself some extra travel time.

- Beginning April 1, crews will begin preparing areas along Route 3 for paving.
- There will be two lanes of traffic from 6 AM to 6 PM and alternating one-way traffic from 6 PM to 6 AM.
- Crews are working from Monday - Saturday each week.
- Paving is expected to begin in mid-May.
- Work is weather dependent so hours and schedules may change.
- It is expected that all work will be completed by mid-June.

All roads will remain open and all businesses will be accessible.

We appreciate your patience. Please allow extra travel time. A little inconvenience now will pave the way for better travel for years to come. For more info and the latest updates, visit: mainedot.gov
